DECISION

This decision is in response to the "Request to Issue Filing Receipt" filed on 08 March 2006 which is treated as a petition under 37 CFR 1.181 and hereby **DISMISSED** as follows:

Petitioners request a filing receipt in the above-captioned application filed on 28 September 2005. A review of the subject application shows that it was filed as a national stage of PCT/FR2003/001197 under 35 U.S.C. 371. In national stage applications, a filing receipt is not mailed until completion of all 35 U.S.C. 371 requirements. See MPEP § 1893.03(b).

In this application, a decision dismissing applicant's petition under 37 CFR 1.47(a) was mailed on 14 March 2006. As such, all requirements of 35 U.S.C. 371 have not yet been met as a declaration in compliance with 37 CFR 1.497(a) and (b) has not yet been received. Accordingly, a filing receipt is not yet warranted.

Any further correspondence with respect to this matter should be addressed to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231, with the contents of the letter marked to the attention of the PCT Legal Office.
